REPORT OF SCHOOL BOARD.

In submitting our annual report for the past year, we feel confident that our school has not only maintained its usual standard of improvement, but has made such advancement, that the board of education feel proud of the results attained.

In Division No. 1 there have been no scholars the past year, so we have had only one school in town.

In Division No. 2 we have had two terms of school, both taught by Miss Vina A. Dole of Washington. This was Miss Dole's fourth year in this school, and we hope that she will continue her good work.
